

Copenhagen Outcomes : Aviation

- What we offered
 - part of the problem, part of the solution
 - a united industry
 - ambitious global targets
- What we wanted
 - global sectoral approach
 - ICAO role
 - no punitive taxes/levies
- What we got
 - strong support for a global approach – esp. G77
 - wide recognition of our efforts
- What we do now
 - push for a global sectoral approach through ICAO, UNFCCC, G20
